Document Master

The screenshot displays the 'Document Master' application window. At the top, there is a standard Windows-style title bar with the text 'Document Master' and window control buttons. Below the title bar is a toolbar containing various icons for file operations like opening, saving, and printing. The main area of the window is a form with two columns of input fields. The left column includes fields for 'Document Name:', 'Type:', 'Subject:', 'Area:', 'Person:', 'Address:', 'Email:', and 'Document:'. The right column includes fields for 'Document No:', 'Date:', 'Department:', 'Locality:', 'Designation:', 'Contact:', and 'Detail:'. Each field is accompanied by a small icon, likely representing a search or selection function. At the bottom left of the window, there is a tab labeled 'Document'. The overall interface is clean and functional, typical of a data entry application.
